Fire Restriction Rescindment of Orders #NECLO2656, #NECLO2657 #NECLO2658, & #NECLO2660

Moderated fire danger indices and improved weather conditions have resulted in reduced wildfire hazard in Northeast Utah. As a result, Stage 2 fire restrictions (on all open fires) enacted by Closure Orders #NECLO2656, #NECLO2657, #NECLO2658 & #NECLO2660 are hereby rescinded within the areas described below beginning August 21, 2026 at 0001 hours.

Please Note: Summit County will remain in Stage 2 fire restrictions.

Fire danger is expected to continue to be high as summer months progress; therefore, Stage 1 fire restrictions enacted by Closure Orders #NECLO2615, #NECLO2628, #NECLO2629 & #NECLO2630 are still in place.

Area Description:All unincorporated private and all state lands within **Wasatch, Uintah, Daggett, & Duchesne** counties. This order does not affect private lands within incorporated towns or city limits.

Effective Date: **12:01 a.m., Friday, August 21, 2026**.
